To express your support of the environment, ask about our **EcoSmart™** printing options, including usage of FSC certified paper stock and soy inks.

Rely on us to get the job done.

For nearly 19 years PSB has been serving customers throughout the United States with high quality marketing and consumer communication programs. We have combined our award winning creative services (over 180 marketing awards to date) with on-site print, mail, and media fulfillment services. We like to think of our platform as the "new spirit of communications" with some obvious benefits for you:

- ✓ **Faster turnaround on projects**
- ✓ **Higher quality output**
- ✓ **Cost-saving solutions**

Whether you need a promotional message, a corporate "image" piece, or a powerful newsletter, we are here for you.

Creative, Printing, Mailing & Fulfillment Services

We work with you hand-in-hand to assist with layout, print and mailing as needed. With convenient and

"We can depend on PSB to present high-quality work on the first draft, make design adjustments without drama, and deliver final products that meet our needs without missing deadlines."

—Gina Oltman,
Public Information Specialist,
Contra Costa Water District

secure file uploads, searchable photo libraries, and pre-made concepts, PSB helps you meet your project goals quickly and affordably.

Communication Programs for your company

We want to prove to you how your department will benefit by harnessing the power of PSB Integrated Marketing. **Call me to discuss your needs today!**
